

Distributing Japanese Genuine  
Engine Parts for Heavy Machinery  
and Trucks Globally Since 1944

Headquartered in Singapore,  
United Auto Company has been  
distributing and supplying genuine  
Japanese engine spare parts for  
diesel engine trucks and automobiles  
globally since 1944.

Our main products include  
engine gaskets, piston rings, piston  
ring sets, crown wheel and pinions,  
engine bearings, clutches,  
cylinder liners, engine valves and  
piston pins.

We distribute genuine engine  
auto parts mainly to Central and  
South America, Africa, Australia, India,  
Hong Kong, Taiwan and Europe.

United Auto Company Pte Ltd
